K B SYSTEMS

Jaracza 4 room 217,
42-200 Częstochowa

I confirm that KB Systems have supplied 4CM with web development work for some of our clients and for our company throughout 2011. In this period K B Systems have provided us with sensible and excellent service in all matters related to website engineering, site optimisation, search engine analysis and site submission. Their work has been a major factor in the success of the projects in question.

I can confidently recommend KB Systems as a company that can provide expert solutions in their field, timely, effectively and competently.

Yours faithfully
